

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 12 May 1963

1. (Unclassified - GLC) George Murphy, staff member on the Joint Committee on Atomic Energy, called to advise us that the Joint Committee's hearings on the "Omnibus AEC amendment and the Coast Guard bill on Restricted Data clearances have been re-scheduled for the first week in June.

(Unclassified - GLC) Murphy called again later in the day and asked that I visit him tomorrow so that he could explain some questions the Chairman wished to put to the Agency in connection with [redacted] tests.

2. (Unclassified - GLC) Jerry Kenney, in Senator Harris Wofford's office, called and requested a reference to the newspaper article which mentioned Khrushchev's statement to the Director to the effect that he read the same reports that Mr. Dulles received. Kenney called later and said he had the David Laurent's article which served his purpose satisfactorily.

4. (Secret - GLC) Advised William Macomber of the State Department that the Agency had forwarded, with a suggested reply, to Senator Dodd's letter to the President [redacted]

Also advised Macomber that the briefing of Representative Overton Brooks seemed to have gone well and Brooks had made the comment that he thought he could handle the other members of the Committee on the U-2 incident.

5. (Unclassified - GLC) Congressman Edward J. Derwinski called and said he had talked with Representative Arch A. Moore, Jr., who had mentioned the Director's briefing of the 85th Club (the Aconas). Derwinski said he wondered if the Director would be willing to address a similar group of Congressmen who began their congressional careers in the 86th Congress. He mentioned a breakfast either on the Hill or elsewhere or such other arrangement as the Director may desire. Derwinski is to send me a list of the 86th Club membership and we will then take this up with the Director. [redacted] was advised of Derwinski's call.)
